PRESIDENT'S MESSAGE

Here it is with only five months until the National Meet. Time sure flies when you are having fun.

All of you need to be thinking about the FCA between now and the National. If there is something you think the Board of Directors needs to review or discuss, then you need to let me know so I can get it on the agenda for the board meeting. Remember, as a member, this is your club, and we need your help to keep it a growing and *prosperous* club.

Since spring is almost here, there will be a lot of car shows and outings coming up, so be sure to get those Falcons out and let other folks see them, and tell them about the FCA. Start making your plans now for August if you haven't already.

Roy E. Sword, President, FCA

MEET REPORTS (Cont.)

Standing committee reports were given and additional committee memberships were solicited. The by-laws committee was disbanded, as it had accomplished its goal. A special thanks to Hank Wroton for his special efforts in writing the by-laws, and to Ron and Jan Brown, Dave Garland, and Ray Roberts for a job well done.

A slide show topped off the evening with members seeing what a great National FCA Meet in Kansas City looked like, and a few other things, such as a couple of Hudson Essex Terraplane club national meets, a Renault Dauphine Gordini, and what ever a SKODA is?? A great time by all who attended. Please check the calendar of events for more Mile Hi Chapter functions.

On February 12, Paul Garrigan put on a clinic on how to prepare cars for showing in car shows.

The Southeast Chapter

The Southeast Chapter had its first meeting of 1986 on Sunday, January 19. The meeting was held at the Western Sizzlin' Steak House in Marietta, GA. There were 33 members present with 8 members driving their Falcons. After dinner we held a business meeting, and the new officers for 1986 were elected. They were: Gary Goddard, President; Lynn Moon, Vice-President; Wanda Goddard, Secretary; and Gary Palmer, Treasurer. We also discussed the events for 1986. Our next meeting will be on Sunday, March 16, at Arrington-Blount Ford in Lawrenceville, GA. From 10 a.m. to 5 p.m. the dealership will have its showroom open for us and we will have Falcons on the showroom. So make plans to attend now.

Our committee for the upcoming Southeastern Regional Meet met on Saturday, January 25 at the Marriott, and have finalized plans. This meet will be May 16, 17, and 18, so start making plans to attend this great meet. On Thursday, January 30, Steve Springer of Charlotte, NC, the Eastern Regional Director, was in Atlanta, and met with the officers, and we discussed the events of 1986. On Monday night, February 3, we had our monthly officers meeting at Wanda and Gary Goddard's house, with a good attendance. We now have 45 members in our chapter.

Future Indiana Chapter

Our first organizational meeting of a future Indiana chapter was held February 18, and officials were elected as follows: Cliff Smith, President; John Havens, Vice President; Pam Rans, Secretary/Treasurer. Plans were made to apply for chapter status in the near future.

MEET REPORTS (Cont.)

The Mason-Dixon Chapter

The Mason-Dixon Chapter just held its third annual dinner at the Glasgow Arms in Glasgow, DE, on February 8. We had 34 members and their family or guests in attendance. Along with our chapter business we planned most of our meetings with the Falcons for the summer. We will be in Seaford, DE, on April 20. We have nine sponsors that have put up twenty seven plaques, one for every Falcon that is brought. It's on a first-come basis, there is no judging. We would like to not only encourage all our chapter members to make it, but would like any FCA member that would like to come to write or call me at (302) 337-8175 between 6 p.m. and 9 p.m. We also have been invited to the Falcon Furniture Store in Dover, DE, on June 8. More on this later. This one could be a great chance for us Falcon owners to show them off. And since the local Ford dealer in Dover did not want anything to do with us.
